**SANGEETA  
AHUJA,  
OTR/L AND  
OWNER**

Our office is located in the heart of Hicksville, NY. It's been 27 years since Sangeeta has been practicing Occupational Therapy. She graduated from GMC, Nagpur in India and has been servicing the community in the US since 1995. The basic principles of her operations have stayed the same to this day: To focus on the clients experience using the best and most advanced technology and medical equipment.

It is pertinent that the conscientiousness, **overall needs, comfort, and balance of well-being of our patients** is expressed. We specialize in the treatment of:

## SERVICES

## QUALITY CARE

We are the providers of Occupational and Physical Therapy services at our outpatient clinic and inpatient homes. Our focus is on a **personalized and customized** plan of care. We serve our patients with empathy, compassion and caring values. In today's world, we feel that the healing process should alleviate as many symptoms of physical as well as emotional suffering.
